**RE: PHILLIPS ROOFING LTD**

**ROOF TILING ON TWO STOREY EXTENSION CARRIED OUT AT THE  
ABOVE ADDRESS IN FEBRUARY 2012**

As a retired Building Site Manager I wanted the above project to be carried out correctly. Everything was done to my satisfaction, right price, completion on time with the site kept clean and tidy and no waste on materials. I was extremely pleased with the whole project and would recommend the company.
